

The Horse.com had hosted a Webinar on May 24th about the EHV-1 Virus. Dr. Paul Morley and Dr. Craig Barnette gave the one hour seminar. Below are listed the links that they used as their references and consider them as good reference material to learn more about the virus.

Thank you Horse.com, Dr. Paul Morley and Dr. Craig Barnette.

Equine Herpesvirus-1 Outbreak: What Horse Owners Need to Know

FREE Webinar Tuesday, May 24 | 8:00 p.m. EST

About the Experts

Paul Morley, DVM, PhD, Dipl. ACVIM, Professor and Section Head for Population Health in the Department of Clinical Sciences in the College of Veterinary Medicine and Biomedical Sciences at Colorado State University (CSU) and Director of Biosecurity for CSU's James L. Voss Veterinary Teaching Hospital.

Craig Barnett, DVM, Senior Equine Technical Services Veterinarian for Intervet/Schering-Plough Animal Health.

USDA/APHIS Collated Data and Recommendations

<http://www.aphis.usda.gov/vs/nahss/equine/ehv/>

ACVIM EHV-1 Consensus Statement

(A great summary if important details for veterinarians)

<http://www3.interscience.wiley.com/cgi-bin/fulltext/122393622/pdfstart>

Biosecurity for Horse Owners

(wonderful hands-on information from Alberta VMA and Alberta Equestrian Federation)

[http://www1.agric.gov.ab.ca/\\$department/deptdocs.nsf/all/afs13243#equine](http://www1.agric.gov.ab.ca/$department/deptdocs.nsf/all/afs13243#equine)

(click on " Equine Biosecurity and Best Practices guideline ")

Biosecurity Guidelines from the AAEP

(very good; a little more directional and less explanatory)

http://www.aaep.org/pdfs/control_guidelines/Biosecurity_instructions%201.pdf

Recommendations for Horses Exposed to EHV-1

(nice commentary specifically prepared by the USDA in response to this outbreak)

http://www.aphis.usda.gov/vs/nahss/equine/ehv/ehv_ehm_recommendations_051611.pdf

Guide to Understanding the Neurologic Form of EHV Infection

http://www.aphis.usda.gov/vs/nahss/equine/ehv/equine_herpesvirus_brochure_2009.pdf
